

## **Public Meeting Notice**

**McIntosh County Emergency Management Agency will hold a Pre-Disaster Hazard Mitigation planning meeting on April 30, 2024, at 10 a.m. in the McIntosh County Emergency Operations Center located at 1019 Production Row in Darien, Georgia.**

The purpose of the meeting is to provide an opportunity for the public to offer input about strategies to help protect our community in the event of a disaster and to comment on the plan update development during this drafting stage. Citizens, Elected Officials, Business Representatives, Non-Profits, School Officials, Public Safety Officials, and surrounding Counties are invited to attend this meeting.
