Proposals may be withdrawn by written request only if the request is received prior to the time and date set for the opening proposals. Negligence on the part of the proposer in preparing his proposal confers no right of withdrawal or modification of his proposal after proposal has been opened. No proposal may be withdrawn for a period of sixty (60) days after the time and date of opening of proposals.

The Owner reserves the exclusive right to determine which Proposer should be awarded the Contract. The Owner also reserves the right to waive any irregularity or informality in a proposal and accept or reject any item or combination of items, when to do so would benefit the Owner. Also, the Owner may reject proposals that do not contain all elements and information requested. The Owner will not be liable for any cost/losses incurred by proposers throughout this process. The Owner does not discriminate based on race, religion, color, sex, national origin, age, or disability.

To the extent permitted by Georgia Law, the Proposer will indemnify, defend, and hold harmless the Owner from and against any and all claims, damages, losses, and expenses including, but not limited to, fees and charges of attorneys and court and arbitration costs, arising out of or resulting from the negligent acts, negligent omissions, willful misconduct, or reckless misconduct of the Proposer or anyone for whom the Proposer is responsible.

SCOPE

This project consists of one approximately 850 sq. ft. 2-bedroom 2-bathroom house and one approximately 1200 sq. ft. 3-bedroom 2 bathroom house both located within the Kellsie Circle subdivision. Both homes must be constructed with a concrete slab, metal frame structure, metal roofing, double pane windows, steel exterior doors, drywall, kitchen cabinets, LVL flooring, LP siding, and central HVAC. Construction must be completed within 60 days of the execution of the contract.

SPECIFICATIONS

1. **Workmanship and Inspection**

All work under the resulting contract shall be performed in a skillful and workmanlike manner. The Owner may, in writing, require the Contractor to remove any employee from work that they deem incompetent or careless. Further, the Owner may, from time to time, make inspections of the work performed under this contract. Any inspection by the Owner does not relieve the Contractor from any responsibility regarding defects or other failures to meet the contract requirements.

2. **Cleaning Up**

The Contractor(s) shall at all times keep the adjacent areas of the work area free from rubbish and the accumulation of any waste materials.

3. **Safety**

All contractors and subcontractors performing services for the Owner are required and shall comply with all Occupational Safety and Health Administration (OSHA), State and County Safety and Occupational Health Standards and any other applicable rules and regulations. Also, all contractors and subcontractors shall be held responsible for the safety of their employees and any unsafe acts or conditions that may cause injury or damage to any persons or property within and around the work site area under this contract.

4. **Incidental and Consequential Damages**

No proposer may require contractual language limiting or eliminating liability for incidental and consequential damages.

CONTRACT TERMS AND CONDITIONS

The Contract with the successful proposer will contain the following contract terms and conditions:

1. **Procedures**

The extent and character of the services to be performed by the Contractor shall be subject to the general control and approval of the Owner. Any change to the contract must be submitted in writing and approved by the Owner.

2. **Contract Quantities**

The quantities specified in this contract are estimated only. They do not indicate the actual quantity which may be ordered, since such volume will depend upon requirements which develop during the contract period. Quantities shown shall not be construed to represent any amount

which the Owner shall be obligated to purchase under the contract or relieve the Contractor of his obligation to fill all orders placed by the Owner. NO PROPOSAL WILL BE CONSIDERED WHICH STIPULATES THAT THE OWNER SHALL GUARANTEE TO ORDER A SPECIFIC QUANTITY.

3. **Schedule**

Proposers shall provide, with their proposal, a proposed schedule for the project. Failure to include the schedule may be ample cause for rejection of proposal as non-responsive. The actual timing for this project shall be coordinated with the Owner.

4. **Delays**

If a delay is foreseen, the Contractor shall give ample notice to the Owner. The Owner has the right to extend completion date if reasons appear, in the sole discretion of the Owner, to be valid. Contractor must keep the Owner advised at all times of status of order. Default in promised completion (without accepted reasons) or failure to meet specifications, authorizes the Owner to purchase supplies elsewhere and charge full increase in cost and handling to defaulting Contractor.

5. **License Requirement**

All General Contractors doing business in Darien, Georgia are required to hold a current valid business license within the municipality where the home office is located and **must be a certified contractor with the State of Georgia.**

6. **Insurance**

The Contractor shall procure, maintain, and provide proof of, insurance coverage for injuries to persons and/or property damage as may arise from or in conjunction with, the work performed on behalf of the Owner by the Contractor, his agents, representatives, employees or subcontractors. Proof of coverage as contained herein shall be submitted prior to the commencement of work and such coverage shall be maintained by the Contractor for the duration of the contract period. The Contractor shall not perform any work unless he has obtained and continues to maintain for the duration of such work, such worker's compensation coverage as may be required pursuant to the provisions of Title 34 Chapter 9 of the Official Code of Georgia.

A. Liability

The Contractor shall maintain such insurance as will protect him from claims under workmen's compensation acts and from any other claims for damages to property, and for personal injury, including death, which may arise from operations under this contract, whether such operations be by himself or by any sub-contractor or anyone directly or indirectly employed by either of them. Such certificates shall be in form and substance reasonably acceptable to the Owner, shall indicate that, except in respect to workers compensation insurance coverage and professional errors and omissions, Owner is an additional insured with respect to such coverage, and shall indicate that such coverage is primary and not contributory with any similar insurance purchased by the Owner. The certificates shall contain a provision that the insurer will endeavor, if allowed by the policy, to provide Owner with thirty (30) calendar days' notice of nonrenewal, cancellation, or termination of the coverage. If the successful proposer receives a nonrenewal, cancellation, or termination notice from an insurance carrier affording

coverage required herein, the successful proposer agrees to notify Owner by fax within two (2) business days with a copy of the nonrenewal, cancellation, or termination notice, or written specifications as to which coverage is no longer in compliance. Failure to comply with any of the provisions relating to insurance coverage herein shall be deemed a material breach if not cured. The contractor shall be responsible for providing adequate limits of insurance when working within property owned by railroads, as established by such railroad company.

B. Indemnity

To the fullest extent permitted by laws, statutes, rules and regulations, the Contractor shall indemnify and hold harmless the Owner, Engineer, Engineer's Consultants and the Officers, Directors, Employees, Agents, and other Consultants of each and any of them from and against claims, costs, damages, losses, and expenses, including but not limited to all fees and charges of engineers, architects, attorneys and other professionals and all court costs, arising out of or resulting from performance of the work, but only to the extent caused in whole or in part by negligent, reckless, willful and wanton, or wrongful acts or omissions of the Contractor, its Officers, Directors, Employees, Agents, and anyone directly, or indirectly employed by them or anyone for whose acts they may be liable, regardless of whether or not such claim, cost, damage, loss, or expense is caused in part by a party indemnified hereunder, except that no party shall indemnify any other party or person for their own sole negligence. Such obligation shall not be construed to negate, abridge or reduce other rights or obligations of indemnity which would otherwise exist as to a party or person described in this Paragraph. In as much possible, the contractor shall be responsible for damages they may cause, unforeseen damages are responsibility.

C. Bonds

All contractors must submit with proposal, a bid bond, certified check or cashier's check in the amount of five percent (5%) of the total proposal. **Failure to submit a bid bond with the proper rating will result in the proposal being deemed non-responsive.** Successful supplier will be required to meet insurance requirements, submit a one hundred percent (100%) PERFORMANCE bond and a one hundred percent (100%) PAYMENT bond. Insurance and Bonding Company should be licensed to do business by the Georgia Secretary of State, authorized to do business in Georgia by The Georgia Insurance Department, listed in the Department of Treasury's Publication of Companies holding Certificates of Authority as Acceptable Surety on Federal Bonds and as acceptable reinsuring companies. **The bid bond, payment bond, and performance bond must have an A.M. 8. **Basis for Award**

The contract will be awarded to the responsible, responsive proposer(s) whose submission, conforming to the solicitation, will be most advantageous to the Owner – price and other factors considered. Unless otherwise specified in this RFP, the Owner reserves the right to accept a proposal in whole or in part, and to award by item or by group, whichever is deemed to be in the best interest of the Owner when applicable. Any proposer who is in default to the Owner at the time of submittal of the proposal shall have that proposal rejected. The Owner reserves the right to clarify any contractual terms with the concurrence of the Contractor; however, any substantial nonconformity in the offer, as determined by the Owner, shall be deemed non-responsive and the offer rejected. In evaluating proposals, the Owner shall consider the qualifications of the proposers, timeframe, cost, references and guarantees of materials and equipment.

9. Negotiation with the Responsible Proposer

Unless all proposals are canceled or rejected, the Owner reserves the right to negotiate with the lowest responsive, responsible proposer to obtain a contract price within the funds available whenever such proposal exceeds the available funds. Negotiations with the low proposer may include both modifications of the proposal price and the specifications/scope of work to be performed.

10. Notice of Award

A notice of award will be issued once the project is awarded by the Owner at an open meeting.
