As the contractor, owner, or authorized agent, I hereby apply for a permit to erect and/or alter the structure described herein and/or on accompanying plans and specifications. If a site plan is required, the structure will be located on site as shown on the plan. If a permit is granted, the structure will be constructed as shown and will comply with all state and local codes. I understand that the structure authorized by the permit shall not be occupied and/or used until all inspections have been made, all fees have been paid, and a certificate of occupancy has been issued (if applicable). I understand that I cannot begin work on the structure until a permit has been issued. I also understand that no inspections will be made until licensed subcontractor(s) have been verified and granted applicable permit(s) according to policies of the City of Darien Building Department. I hereby certify that I am the property owner, or the authorized agent of the property owner and that all information contained herein is true and accurate.

Signature _____ Print Name _____ Date ___/___/___

This Permit shall become invalid if contractor, owner, or authorized agent fails to comply with appropriate City, State, and Federal Laws as to license requirements, applicable health regulations, zoning restrictions, environmental protection requirements, minimum standards as defined by Building, Plumbing, Electrical, and Fire Protection Codes. Construction must begin within 180 days from the date of permit issuance, otherwise the permit is null and void.
